Subject: Making it Work

Hey Kelly,

I am about to send copies of the Making it work to the below list and would like to include the attached letter on FastForward letterhead. Is the letter suitable? (The teachers received their copies in October so I'm not sure if y'all would like to do a press conference now or not; if so, let me know) Also, please look at the list and give me your opinion. (most of those on the list were left from Liz)

(Note: I only have 18 Manual with CDs left but plenty of Booklet with CDs. My reason for sending some the Booklet instead of the Manual is that the Booklet has everything the Manual has and I figure that person will not 1. make use of the manual or 2. is computer savvy and will do fine with the CD.)
